4 FIRE CREWS FOR COUNTY

Legislative Action Also Provides Funds For Two New Pumper Trucks

By A. G. THURMAN
Assemblyman, 6th District
SACRAMENTO—Your legislature after passing a stop gap relief appropriation bill and appropriations for flood and forest fire control adjourned the second extraordinary session last Friday but continued the first special session under a recess. The recess will permit investigating committees to continue to function.

In passing a stop gap relief bill amounting to \$24,347,000, your legislators believe that this amount will be ample to take care of all legitimate relief needs until March 31, 1941. Since restrictions were first placed upon the administration of relief by the state legislature much of the chiseling has been eliminated and the case load has dropped from 116,000 cases to 78,000 cases.

The legislature appropriated \$1,900,000 for flood control which is to be matched by federal funds totaling \$1,700,000 and in addition the legislature appropriated \$500,000 to the state emergency fund for relief to counties hit by the recent floods providing the counties match the allotments made them.

An appropriation of \$300,000 was given the State Board of Forestry for forest fire prevention and control. This allocation is of special interest to seven of the ten counties of the Sixth Assembly district. El Dorado County will receive, as the result of this appropriation, one replacement suppression crew and will as a result have a total of four suppression stations for the present fire season. In addition two new combination fire trucks and pumpers will be assigned to this county.

4 Of County Are Honored At U. C.

Two Graduate, Two Others Get Degrees As Doctors Of Philosophy Saturday

The University of California at Berkeley on Saturday issued degrees and certificates to its largest class in history, numbering 4,097.

Among the recipients were four who are known to El Dorado County residents, although Miss Margaret Elizabeth Maul, daughter of City Attorney and Mrs. Thomas Maul, was the only graduate registered from El Dorado County.

She, with Miss Barbara Johnson, daughter of Mr. and Mrs. J. R. Johnson, of Auburn, took Bachelor of Arts degrees in the College of Letters and Sciences. Both are graduates of El Dorado County High School.

In the field of higher learning, the degree of Doctor of Philosophy was conferred upon two from El Dorado County. John Thomas Dunlop, son of the Rev. and Mrs. J. W. Dunlop, took his degree in political science. Dr. Dunlop is now a member of the faculty of Harvard University under a seven-year contract.

The other Doctor of Philosophy degree in which El Dorado County people are interested went to Alver Jennings Olson, of Los Molinos, for work in Plant Pathology.

Dr. Olson is a brother of Miss Evelyn Olson, of the county high school faculty, and was employed several years ago on Eldorado National Forest as a timber scaler. He is at present engaged in work for the government in Modoc County.

One Way to See the Fair

Blonde Dolores du Barry (left) and Vivian Turner, a pair of the chorines who grace the Golden Days of '40 cast at the Golden Gate International Exposition, take to the hood of an Elephant Train to see the Court of Indian Riders in the Key System train driven by Zeth Blevens, Key System superintendent of maintenance.

COUNTY FAIR BRINGS \$161,031 INTO THE COMMUNITY

Development And Exposition Has Been Equal To Industrial Plant With \$40,000 Annual Payroll, Committee in Charge Notes

Thomas Chard has been appointed business manager of the County Fair for 1940, it was announced Monday morning by the fair association chairman, George E. Faugsted. The chairman's emphasis upon "business manager" in making the announcement, seemed to indicate another appointment, possibly of an exhibit manager, is contemplated. The 1940 premium list has been prepared in tentative form for review by the Fair Board at a meeting Tuesday night, following which it will be submitted to the State Department of Finance for approval.

The County Fair Committee of the American Legion has received and distributed \$51,531, and an additional \$109,500 has been received for permanent improvement for the fair grounds, so that in the less than four years the fair has been operating, it has brought into the county a total of \$161,031.

This was a highlight of the recent meeting of the fair committee, at which affairs of the past season were closed and preparations for the 1940 fair were instituted.

Officials announced that by the end of the present calendar year, the county will have received and expended a total of \$186,031 on the fair.

It was pointed out that none of this money comes from county taxes. Looking forward to this year's exposition, the committee reported that a total of \$8,000 will be available for prize distribution.

The theme or motif of the fair this year will be flowers and in order to qualify for prizes, the various booths must conform to this theme. A new regulation issued by the state prohibits the removal of anything from the booths for entry in the individual classes. The prize lists for Farm Bureau and Grange booths have been materially increased, and tentative increases have been made in many other premium awards.

The fair committee is making a special effort this year to enlarge the fruit exhibition. Also additional classes are being added to the mining and lumber classifications. Arrangements are being made to build special stands for the showing of individual exhibits of fruits, vegetables, and other products similar to the food and flower shows of past fairs.

Chairman George Faugsted urges that exhibitors form committees at once and that individuals begin the preparation of their exhibits as soon as possible. As soon as the official premium list is accepted by the State Department of Finance, it will be printed and distributed to all interested.

The El Dorado County Fair is a distinct business asset to El Dorado County, according to Arnold Weber, treasurer of the fair committee, who quotes the following figures:

Prize money actually distributed to date \$43,531.00

BARTS LOSE AT GRASS VALLEY

Braves Drag Game Out Of Fire In Last Half Of Ninth Inning

By LLOYD L. VYE
Grass Valley's Braves scalped Placerville, 10 to 9, in a wild battle at Grass Valley Sunday.

Sam Hearn's Barts led right up to the last half of the ninth when the Grass Valley sluggers landed on "Sonny" Slavich, Placerville chuckler for two ringing singles after two were down, and Hank Nunes, Brave hurler, worked Carol Land, in the relief role, for a base on balls.

Hank Triano won the game for the Nevada County team when he lined to center, scoring two runs. In the first game of the second half of the schedule the hard-hitting Braves landed on Slavich for 16 bingles in nine and two-thirds innings; one being a triple while two were doubles. The Bart twirler whiffed six and only walked three. During the first three frames Grass Valley got only four hits but in the fourth two singles, a stinging triple and a walk netted the winners three tallies. Grass Valley scored in every stanza which followed except the seventh.

Michaels and Warren did some fine slugging for the Barts, both getting three for four; Michaels blasting out a triple, Warren a double. Spaman connected for a sizzling three-sacker.

Clipper Goodin, Ed Shinn, Lou Neil and Ed Reeder sparked in the field for Placerville. A shin injury kept Bill Clark on the bench.

Lion President Louis Armes had lots of fun ringing a grandstand gong for every score each team made.

Sunday, June 2, Placerville will stack up against the Wolf & Royer nine, first half champions, at the Marcus P. Bennett, Jr., Memorial Park at 2:30 p. m.

Maps, Booklets For Fair Folk

Mother Lode, Comstock Map, County Literature Being Distributed To Visitors

Reporting the 1940 fair at Treasure Island "one hundred per cent improved in appearance and tempo," Wallace M. Ripley, chamber of commerce secretary, returned Monday after attending the fair opening Saturday and Sunday.

Mr. Ripley reported that several thousand maps of the Mother Lode and the Comstock Country, printed for Mrs. Verna Brame, of Placerville, are being distributed to interested visitors at the Sacramento-Tahoe Region building along with literature of the El Dorado County Chamber of Commerce.

El Dorado County's gold display dominates the mineral exhibit in the building, he said. The Sacramento-Tahoe Region building has been redecorated and the exhibits have been re-newed so that the displays in the building keep pace with the general improvement throughout the fair.

Ripley brought home with him a copy of an especially printed newspaper front page at the fair, a "copy of the San Francisco Globe" on which headlines blazed, "Wallace Ripley Buys Out Sally Rand."

Firemen were called Monday morning to a cabin on Benham Street to extinguish a small roof fire. There was some slight confusion about locating the scene of the fire resulting from the party who reported the alarm saying the fire was "by Beach's box factory." This proved to be quite an area but the firemen were able to catch the fire in time to prevent serious loss.

George Maul has returned from his second year of study at the Hastings College of Law.

Bartlett Outlook Is Encouraging

El Dorado County's Bartlett pear crop will be about the same as it was last year although the outlook is for better prices.

Carl Visman, member of the control board under the California Tree Fruit Agreement, on Monday received from the Tree Fruit Agreement an estimate on the Bartlett crop under its jurisdiction.

While the agreement saw El Dorado County's crop the equal in size of the crop last year, Visman said that prospects now are for improved prices.

Crop estimates for other sections, based on the percentage of the 1939 crop, follow: Sacramento River 70 pct; Napa County, 65 pct; Placer County, 110 pct; Lake County 75 pct; Napa County, 65 pct; Placer County, 110 pct; Lake County, 75 pct; Tehachapi, 100 pct; Suisun, 100 pct; Contra Costa and Santa Clara, 80 pct; Marysville, 75 pct; Colfax 130 pct; Mendocino, 85 pct.

These preliminary estimates point toward a shorter crop generally.

HOME MAKERS END MEETING

Fashion Show Exceptional Feature Of Last Session Of Eighth Annual Event

With a total attendance of approximately nine hundred homemakers of the county, the Eighth Annual Homecraft Institute and Appliance Exhibit closed Friday night at the Shakespeare Clubhouse with a large attendance.

Much interest was shown in the Fashion Show and members of the auxiliary to Placerville Aerie of Eagles were so captivated by this feature that they arranged with the young ladies who took part to present the review Monday night at the auxiliary's birthday meeting.

The large audience voted by popular applause for the entries representing what the audience judged was the best exhibit by home appliance, paint and automobile dealers of Placerville and first choice was "Miss Philco," sponsored by Pots & Pans. Second honors went to "Miss Westinghouse," sponsored by the Furniture Exchange, and third place was awarded "Miss General Electric," sponsored by The Sportsman's Shop.

The fashion review was arranged with the co-operation of the Cash Mercantile Stores.

Jane Barton, under whose direction the three-day meeting of the Homecraft Institute was conducted, was joined late Friday evening by her husband and their nine-year old son, and the group spent the weekend on a camping vacation in the county before returning to their home at San Francisco.

Mrs. Barton and the Placerville Republican and the Mountain Democrat, which shared jointly with Pacific Rural Press in sponsoring the institute, wish to thank all who co-operated in making the three-day meeting of El Dorado County home makers the success that it was.

FIVE SCHOOLS ANNOUNCE TIME OF GRADUATION EXERCISES

According to word received Monday at the office of County School Superintendent K. W. McCoy, five schools of the county have set the dates for their graduation exercises.

All of the programs concerned are being held in the evening on the dates given. The schedule is: Camino, May 28th; Diamond Springs and Buckeye, May 29th; and Missouri Flat and Georgetown on May 31.

Directors of the Rod and Gun Club meet tonight at Hotel Raffles on plans for an appropriate observance of the club's twenty-fifth anniversary.

Forest Opens Annual Guard Training

The annual fire guard training school on Eldorado Forest opened Monday morning at Mosquito CCC camp and will continue through Wednesday. The camp site has been vacated by the CCC and the Mosquito Company is now on duty at Caldor. During the three-day training, members of the summer fire protection staff will rehearse their training in all forms of forest fire control.

PUBLIC NOTICE

NOTICE OF TRUSTEE'S SALE OF REAL PROPERTY UNDER DEED OF TRUST

WHEREAS, on the 30th day of September, 1938, J. H. Rhodes and Florence Anne Rhodes (husband and wife) of the County of El Dorado, State of California, in order to secure the payment of a promissory note and certain other obligations and indebtedness to Berent E. Chappell and Anita B. Chappell (husband and wife) as required by law, said notice having been recorded in the office of the County Recorder of the County of El Dorado, State of California, in Volume 162 Official Records at page 442, and

WHEREAS, certain defaults have occurred under the terms of said deed of trust, said defaults consisting in the failure to make payments on account of principal and interest of said indebtedness and also failure to pay taxes upon said premises, and

WHEREAS, on the 25th day of November, 1939, said defaults having thereafter occurred under the terms of said deed of trust, the said Berent E. Chappell and Anita B. Chappell, gave notice of default and election to sell as required by law, said notice having been recorded in the office of the County Recorder of the County of El Dorado, State of California, in Volume 174 Official Records at page 306, and

WHEREAS, the said Berent E. Chappell and Anita B. Chappell have made request and demand, in writing that the undersigned trustees sell said property pursuant to the terms of said deed of trust in order to satisfy the indebtedness secured thereby.

NOW THEREFORE, NOTICE IS HEREBY GIVEN that pursuant to the authority granted in said deed of trust and pursuant to the demand for sale hereinabove mentioned, that on Wednesday, the 29th day of May, 1940, at the front door of the County Court House, City of Placerville, County of El Dorado, State of California, at the hour of 1:30 o'clock P. M. of said day, the undersigned trustees will sell at public auction to the highest and best bidder, for cash, real money of the United States of America, the real property in said deed of trust described. Said real property being that certain real property situated, lying, and being in the City of Placerville, County of El Dorado, State of California, and more particularly described as follows, to-wit:

Commencing on the East line of Cedar Ravine Street at the SW corner of lot 28, block 20, City of Placerville, said point being also the NW corner of lot 29, said block 20; thence running North-easterly and along the East line of said Cedar Ravine Street 85 feet; thence running Easterly and parallel with the North line of lot 29, Block 20, City of Placerville, 140.0 feet; thence Southerly and parallel with the East line of Cedar Ravine Street, 85.0 feet to the North line of said lot 29; thence Westerly and along the North boundary line of said lot 29, 140.0 feet, to the point of beginning and being a portion of lot 28, block 20, City of Placerville, El Dorado County, California.

Dated this 6th day of May, 1940.

ETHEL D. CHRISTIAN
ADELA BEACH
Republican, April 6-13-20-27.

Grower Representative
Placerville District m24-27

NOTICE TO HANDLERS OF FALL AND WINTER PEARS

A meeting will be held at 2:00 P. M., on Wednesday, May 29, 1940, in the office of the Bartlett Pear Advisory Board at 1010 I St., Sacramento, for the purpose of nominating successors to the initial handler member and his alternate representing the Placerville District on the Winter Pear Control Committee, in accordance with the Federal Marketing Agreement and Order which became effective August 26, 1939, regulating the handling of Beurre d'Anjou, Beurre Bosc, Winter Nels, Doyenne Du Comice, Beurre Easter and Beurre Clairgeau varieties of pears grown in the states of Oregon, Washington and California. If you are a handler of any of the foregoing varieties, you are urged to attend this meeting and participate in the selection of a handler representative.

A. A. BROCK,
Handler Representative
Placerville District m24-27

SPANISH REFUGEES FINDING LATIN AMERICAN HAVENS

MEXICO, D. F. (UP)—Latin America has taken more Spanish refugees than Russia, according to figures released here by Constancia de la Mora, former chief of the press division of the Republican government of Spain.

Senora de la Mora, whose husband was chief of aviation for the Loyalists, is in Mexico assisting the Spanish refugee committees in their task of resettlement of thousands of fugitive Spaniards.

The committees have officially registered 6,000 refugees in Mexico, she said, in addition to which there are 2000 unregistered persons who have entered the republic through the assistance of relatives, or by their own means.

According to her figures there are between 3,000 and 4,000 more in all other Latin American countries, led by Chile with 2,500. She estimated Russia today had received 8,000 of the Spanish refugees, 6,500 fewer than in Latin America.

Life Expectancy Found To Have Increased

CAMBRIDGE, Mass. (UP)—The life expectancy of man has increased to 62 years through public health programs, says Prof. Murray P. Morwood of Massachusetts Institute of Technology.

He predicts that during the next generation smallpox, typhoid and diphtheria will be exterminated, tuberculosis will decrease 75 per cent and infant mortality will be cut in half.

LOSE LANDMARK

FORT BENTON, Mont. (UP)—This city is about to lose one of its oldest historic landmarks. It is the sign of "Jos. Sullivan, Saddler."

Mrs. Jessie Stevens and Ruth Lyon were at Sacramento on Monday.

Mrs. D. J. Thomsen came up on Monday from Mill Valley to spend the week with the home folks.

Mrs. Clara Rank was among the callers Monday from Hank's Exchange.

Mrs. Mary Cannon was a Monday morning caller from Youngs P. O.

Constable George Weston was a visitor Monday morning in the county seat from Indian Diggings.

Joe Bender was a caller in the county seat from Pleasant Valley Monday.

Virgil Avansino, the elder, was in town Monday forenoon from the Pleasant Valley section.

Everett M. Wray and E. Reed Perry, L. D. S. Missionaries were here over the week-end from the headquarters of the El Dorado District of the California mission, at Stockton. Wray is president of the district.

WORLD GARDENS BEING DEVELOPED AT PASADENA

PASADENA, (UP)—A project for a permanent "World and Gardens" exposition, to be operated somewhat along the same lines as the centuries-old Leipzig Fair in Germany has been launched here.

The idea originally was suggested by President Roosevelt at the time he visited the San Diego Exposition in 1935.

The President outlined his project to Frank Dragan, who organized the successful San Diego Exposition, and who has undertaken to carry out the President's plan. Federal aid has been made available.

BEST WISHES FOR AN ALL-YEAR SUCCESSFUL SEASON AT STRAWBERRY

4 Fire Crews For County

(Continued from Page One)

Your assemblyman supported this bill on the floor of the lower house and appeared before the Senate finance committee on behalf of the bill. As a member of both the conservation and ways and means committees of the Assembly we also supported the measure before these committees.

In conclusion we believe that your legislature has saved the people of California millions of dollars by economies effected. Fifty million dollars alone has been saved in the administration of relief. This \$50,000,000 represents the total amount cut in the appropriations asked for by the relief administration for the biennium. The administration asked for a relief appropriation totaling \$131,025,000 for the two year period. The legislature appropriated approximately \$80,672,000 for the period.

Fifty million dollars in new taxes sought by the administration was also denied by the legislature, the majority of the legislators believing that with the tax ceiling about reached it would be unwise at this time to add to the tax burden. The new taxes which were denied included a severance tax on oil, a tobacco tax and several other proposed increases.

P. T. A. DIRECTORS GREET NEW MEMBERS OF BOARD AT SOCIAL OCCASION

Mrs. Lloyd Austin was hostess Friday afternoon at her residence near Smith Flat at a social occasion honoring the new members of the Placerville P. T. A. executive committee. The afternoon was devoted to cards at the close of which delicious refreshments were served.

The group presented Mrs. Mildred Lefevre with an appropriate remembrance in appreciation of her service to the organization.

Among those who were present were Mrs. Harvey Lyon, Mrs. Lloyd Vye, Mrs. Fred Miller, Miss Marion Dilling, Miss Laura Ball, Mrs. Don Robinson, Mrs. Wilder Immel, Mrs. Dom Scald, Mrs. Henry Lefevre, Mr. and Mrs. J. H. Palmer, Mrs. Wilma Larson, Mrs. Horace G. Dunn, Mrs. E. W. Zueger and Mrs. Austin.

TRIO OF STARS SPARKLE IN "ROAD TO SINGAPORE" AT THE EMPIRE

The two leading male exponents of radio song and comedy, appropriately assisted by Dorothy Lamour, have gotten for the first time on the screen in a picture which definitely takes rank as one of the best comedy musicals of the season. By now the reader must know that Bing Crosby, Dorothy Lamour and Bob Hope are seen as a top trio for the first time in "Road to Singapore," which Paramount presents for the last time at the Empire.

This combination of superb talent is particularly fortunate, what with the nice balance it provides between the singing of Bing and Dot and the topnotch gagging of Bob. And of course, there is a supporting cast, an excellent one in fact, headed by Charles Coburn, Judith Barrett, Anthony Quinn and Jerry Colonna, Hope's radio partner.

The five new songs are really outstanding tunes as sung by Miss Lamour and Crosby. Among them are "Too Romantic," "The Moon and the Willow Tree" and "Kagion." Although the work of all the players is outstanding, whether singing or clowning, a word must be inserted for Jerry "Greetings Gate" Colonna, who brings his mustache, eye-rolling self from radio to screen for side-splitting comedy interludes.

Responsible for the fine direction is Victor Schertzinger, who wrote the music for some of the songs, namely, "Captain Custard" and "The Moon and the Willow Tree." Others who had a hand in this film's success are Johnny Burke and James V. Monaco, two of Hollywood's most sought after songsmiths (and for good reason). Deserving of a palm for his tropic dances (if you'll pardon the pun) is LeRoy Prinz, ingenious Paramount dance director.

Lincoln at Roseville Merchants.

SPIRITS HUNTED

COOS BAY, Ore. (UP)—Coos head near here is expected to become a mecca for "buried treasure" hunters. Bill Brown, former local newspaperman, while walking along the beach in 1924 found a 20-gallon keg of whisky. He worked all afternoon burying it beneath a fallen tree. Before he could return next day, a forest fire swept the area and destroyed his landmark. The "treasure" is still there—somewhere.

"Crimson Warning" To Resume Tuesday

Owing to the demands of advertising space in today's paper, it has been necessary to delay publication of today's regular installment of the serial, "Crimson Warning," until Tuesday, when the story will be resumed.

BURGER JEWELRY SALE ATTRACTS SHOPPERS FROM WIDE AREA

The sale of the stock of Leo C. Burger, jeweler, under auspices of the Western Sales Agency, of San Francisco, will continue until the stock is exhausted.

This is according to Leland Smith, representative of the sales agency, who noted the success of the sale and pointed out that the advertising of the event was placed exclusively with The Democrat and The Republican.

"It does pay to advertise the way we did," Mr. Smith said. "We had more than one hundred waiting at the door when the sale opened Friday morning and during the day and Saturday we had hundreds of people in the store from all parts of the county and from as far away as Plymouth and Ione."

"We are very much pleased with the results of our advertising for this sale."

STONE RAZORS OF 6,000 YEARS AGO FOUND IN IRAN

TEHERAN, Iran (UP)—The earliest known traces of Iranian civilization have been unearthed in excavations at Tepe Sialek, near Keshan.

Archaeologists estimate that some of the stone razors, arrows and knives date back to 4300 B. C., while other objects probably were left there about 2800 B. C. Gold pieces were found in many spots.

The Sialek area were believed to have been inhabited by two peoples—one of which arrived about 4200 B. C. and the other about 1800 B. C. Archaeologists, who have not found any other traces of civilization at Sialek, concluded that the region must have been abandoned, but they do not know why.

The cemeteries which were unearthed appeared to have belonged to a race of people who lived here about 1500 B. C.

Archaeologists noted a similarity in the style of carvings and paintings found on objects on the Sialek plateau and on objects delivered recently in Lorestan and Damghan.

"Saucer Lip" Tradition Is Set Aside

BOSTON, (UP)—Circus-goers soon will not be able to see the "saucer" lips of the girls of the Ubangi tribe, according to Charles Whiskey, an African explorer.

Arriving home from an expedition, Whiskey said the younger generation of the tribe has refused to deform its lips in accordance with tribal customs.

Youth Is Drinking Less, Says W. C. T. U. Head

EVANSTON, Ill. (UP)—Youth's traditional experimental nature will find its own solution to post-appeal liquor conditions, according to Mrs. Ida B. Wise Smith, national W. C. T. U. president.

"Already young people are turning away from cheap beer and tavern-gathering places, major contributors to teen-age crime, and gathering in liquorless night clubs," she said.

THE SPIRIT OF

76

by JOHN CLINTON

From Seattle, HR sends in a contribution which I wish you'd clip out and paste down in the corner of your windshield.

You'll keep purring right on Without a ping with Triton!

In fact I think we'll have the boys at Union Oil Stations greet you as you drive in with just such little songs — if Western Union can do it, why can't we? Singing Lubrication!

Well, song or no song, ever notice how your motor seems to want to go like the dickens when you've just had 'er filled with Triton? It's like the horse we had at home — give her a bag of oats and she'd almost stand on her head.

Our engineers tell me their scientific tests show good reason for this improved performance you get with Triton.

They've perfected a means of refining Triton that makes it a 100% pure paraffin base oil. Besides, it forms so very little carbon, itself, that it allows your motor to burn up the old carbon left by other oils.

It usually happens in 2 to 3 thousand miles. I know it does, because I use it in my Hispano-Plymouth, and I got nary a ping, even when I tramp the foot pedal all the way to the floor.

Say, look, do me a favor — when you buy oil next time, get Triton. Tell the station man that John Clinton sent you in. If he doesn't drop dead, you'll get the best gasoline fill you've ever had.

UNION OIL COMPANY

NEW YORK WORLD'S FAIR IS OPEN NOW!

How to SEE TWICE AS MUCH OF AMERICA on your trip to New York

This is the year to see America! You'll see our own World's Fair on Treasure Island, of course. But after that, why not see the rest of the country?

Southern Pacific offers you an easy way to see twice as much of America on your trip to the New York World's Fair: Go East on one of Southern Pacific's Four Scenic Routes and return on another S. P. route. See an entirely different part of the United States each way for not 1c extra rail fare (slightly higher via the Shasta Route from some points).

For example, for the fares shown here

you can speed straight to Chicago on our direct Overland Route—over the High Sierra, through Reno and across Great Salt Lake on the Lucin Causeway. Then to New York direct or via Montreal. Add Boston and Portland, Maine for no additional rail or Pullman fare.

Return, if you wish, through romantic New Orleans on our Sunset Route.

For free booklets describing Southern Pacific's Four Scenic Routes and the New York World's Fair, call at any S. P. ticket office or write "M. A. Peck, S. P. Station, Sacramento.
